These hardy bulbs do well in most every
section of United States.

Regale—The most popular of all Lilies in America. A vigorous grower and thrives best in rich, leafy loam, but will grow anywhere that is well drained. Bears a profusion of funnel-shaped blooms; outside ribs brown shading to pink, then white. Inside the golden throat shades off to pure white at outer edges. Very fragrant. Blooms in July.

Umbellatum—One of earliest Lilies blossoming in June. Free flowering with large umbellate heads of orange-red.

Tiger Lily—Best known of all Lilies. Thrives anywhere. Flowers orange-red spotted purple on reflexed petals. One of the latest, blooms in September.
